Welcome to The Dance Studio at Bronx House, where we offer a variety of dance classes, which provide a strong foundation in diverse dance styles to students of all ages and abilities. Our comprehensive and sequential approach fosters technique, artistry, and healthy exercise while our professional faculty provide individual attention in small class settings. Our new program Studio to Stage, offers additional performance opportunities for our students.

WHAT IS STUDIO TO STAGE?

Created to give the dedicated dance student a versatile and well-rounded dance experience, Studio to Stage is a performance program open to all dancers in 3rd grade and up who have at least one year prior dance experience.

**Studio to Stage is designed to:**
- Improve technical training.
- Introduce multiple dance styles.
- Increase dance knowledge and history.
- Provide performance opportunities.
- Offer students the opportunity to create lasting friendships and memories.

**Repertoire Class**
Repertoire Class is at the core of Studio to Stage. In this class students will apply the technique learned in their required ballet classes to re-create variations of popular full length Ballets such as The Nutcracker, Swan Lake, Cinderella, and Sleeping Beauty and have the opportunity to perform these works in three mandatory performances throughout the year: a performance of The Nutcracker Variations in December, a Repertoire Variation in the Spring Recital in May, and a community-based performance.

**Supplementary Class**
As students’ progress in level and age, they will be required to take a supplementary class in either Tap, Jazz, Modern, or Hip Hop allowing them to learn and grow in a variety of dance styles. These supplementary styles will be included in the performances, widening their dance knowledge and increasing their appreciation for the art form.

**STUDIO TO STAGE FEES**

- **Studio to Stage** is a Year-Long Program which can begin in the summer or the fall.
- Principal roles for the fall Nutcracker performance will be cast in the summer.
- Students beginning the program in the fall will be cast in supporting roles.
