Exploring with My Grown Up Instructor (Part Time)

Bronx House provides quality Early Childhood Educational (ECE) Programming. It is our mission to educate young children and create a wholesome atmosphere for them to grow and thrive in. We offer an array of programming for young children including Exploring with My Grown Up, an hour-long program created for toddlers ages 18 months-36 months and their caregivers. Exploring with my Grown Up is a class designed to allow toddlers age 18months-36 months to explore specific theme-based concepts along with their grown-ups and children of their same age.

The Early Childhood Center is seeking a dynamic and vibrant instructor to lead the Exploring with My Grown Up classes. The instructor will be responsible for filling the environment with age appropriate materials, activities, and instruction based on a specific child-friendly theme. The Head Teacher will also lead and engage caregivers in discussions and conversations as it relates to their child's development, all while navigating toddlers through their first classroom experiences.

Hours: Fridays and Saturdays 10:15am-12noon

Pay Rate: \$15/hour

Qualifications:

- At least a Bachelor's degree or in pursuit of a Bachelor's degree in Early Childhood Education
- Minimum of two years' working toddlers and young children in a classroom setting
- Knowledge of child development and the ability to teach children through play and sensory experiences
- A strong knowledge base of children's song, finger-play activities, and toddler friendly games.
- A willingness to explore different Early Childhood teaching strategies and curricular as they are relevant and beneficial to encouraging child exploration and growth
- An ability to lead caregivers in focused conversations and discussions as they relate to children's growth and development

- Experience working with children and families from diverse backgrounds and ethnicities
- Excellent social and emotional skills, including positive, caring attitude toward students, family, and staff
- Strong verbal and written communication skills

How to apply:
