Step Up 3's Program Head Teacher (Part Time)

Bronx House provides quality Early Childhood Educational (ECE) Programming. It is our mission to educate young children and create a wholesome atmosphere for them to grow and thrive in. We offer an array of programming for young children including our half day Step Up 3's program for children 2.9-3.9 years of age.

The Early Childhood Center is seeking a dynamic and vibrant Head Teacher to lead the Step-Up 3' program. Along with a Teacher's Assistant, the Head Teacher is responsible for a class of 12 students. The Head Teacher will be responsible for the preparation, and implementation of thematic lessons that are both sensory and inquiry based. The Head Teacher will also be responsible for creating a warm and friendly atmosphere where the children can thrive and parents are welcomed to be a part of their children's growth and development.

Hours: Monday-Thursday 8:30a.m.-12:30pm

Pay Rate: \$15/hour

Qualifications:

- Bachelor's degree or in pursuit of a Bachelor's degree in Early Childhood Education
- Minimum of two years' working young children in a classroom setting
- Some knowledge of a curriculum which teaches children through play and sensory experiences.
- Ability to create and maintain lesson plans that are designed to support the needs of the children enrolled
- A willingness to explore different Early Childhood teaching strategies and curricular as they are relevant and beneficial to encouraging child exploration and growth
- An ability to work cooperatively and professionally delegate tasks to an Teacher's Assistant
- Knowledge of collecting data, and keeping a portfolio as it relates to children's progress and development

- Experience working with children and families from diverse backgrounds and ethnicities
- Excellent social and emotional skills, including positive, caring attitude toward students, family, and staff
- Strong verbal and written communication skills
