LATE NIGHT NOTICE

Greetings Parents,

Teen Camp will be going to Lake Compounce Water & Amusement Park on Monday, July 10th. They will arrive back to Bronx House at 7:30pm. Please send a bathing suit, towel and sunscreen.

We will store our bags and clothing on our buses and also provide lunch and snack as we do daily. Sending money to buy food or souvenirs is optional. **All campers will be returning to Bronx House in their camp groups on designated buses, not their regular daily buses. All campers must be picked up at Bronx House at 990 Pelham Parkway South.** Please find parking to alleviate the amount of double-parked cars waiting for the campers to return. Please do not park in front of anyone's driveway. There is usually plenty of space across the parkway on Pelham Parkway North.

Please see the bus assignments for each group below and log in to your Community Pass account to view your child's group number. You can also ask the bus counselor or the teen camp supervisor for the group number. Please find out the group number before Monday. Thank you.
